- The \$250 parking fee will be required before a parking permit will be issued (unless otherwise determined for a reduced parking term).
- Persons renting these spaces agree to display the issued parking permit in a visible area of the front windshield of their vehicle.
- This contract must be renewed each semester of each academic year.
- Failure to pay parking fees in a timely manner will result in your vehicle being towed from the premises.
- The church reserves the right to tow unauthorized vehicles parked in the lot. (Vehicles not displaying a current parking permit may also be towed.)
- The church is not responsible for any damages to vehicles, including vandalism while parked in the church's lot.
- The church reserves the right to revoke this agreement for any action on the part of the 'student parker' deemed inappropriate. If any agreement is revoked, the parking fee will be pro-rated and the unused portion returned.
